

BETHLEM AND MAUDSLEY HOSPITAL SCHOOL**SINGLE EQUALITY POLICY
& ACCESSIBILITY PLAN**

This plan is drawn up in accordance with Schedule 10 of the Equality Act 2010 which requires schools to draw up, publish, implement and review a written plan to:

- increase access to the curriculum for disabled pupils;
- improve the physical environment of the school to increase access for disabled pupils;
- improve the accessibility and availability of information to disabled pupils.

The Act defines disability as when a person has a 'physical or mental impairment which has a substantial and long term adverse effect on that person's ability to carry out normal day to day activities.'

This plan recognises what is already in place in our school and includes future steps we will take.

Future steps have been identified as part of the process of drawing up, implementing and reviewing the School Development Plan, regular and ongoing consideration of existing and potential barriers to learning and to access to the school and to information and ongoing engagement with parents.

Appendix 2

Statement on Equality

The Bethlem and Maudsley Hospital School is committed to equality, both as an employer and a service-provider. We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age, any disability they may have, their ethnicity, colour or national origin, their gender, their gender identity or reassignment, their marital or civil partnership status, being pregnant or having recently had a baby, their religion or beliefs, their sexual identity and orientation.

We are committed to:

- Ensuring that everyone is treated fairly and with respect.
- Making our school a safe, secure and stimulating place for everyone.
- Consulting and involving people from different groups in our decisions, for example, through talking to pupils and parents/carers and through our School Council.
- Recognising that people have different needs and that promoting equality will involve addressing those needs rather than treating everyone the same.

We promote equality of opportunity and diversity, a positive school culture and work together to prevent discriminatory behaviour.

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations between people who share a protected characteristic and people who do not share it.

This statement meets our specific duty to publish information every year which sets out how we are doing this.

Please also see our Accessibility Plan (appendix 1).
